**§ 300.322 Parent participation.**

(a) *Public agency responsibility—general.* Each public agency must take steps to ensure that one or both of the parents of a child with a disability are present at each IEP Team meeting or are afforded the opportunity to participate, including—

(1) Notifying parents of the meeting early enough to ensure that they will have an opportunity to attend; and

(2) Scheduling the meeting at a mutually agreed on time and place.

(b) *Information provided to parents.* (1) The notice required under paragraph (a)(1) of this section must—

(i) Indicate the purpose, time, and location of the meeting and who will be in attendance; and

(ii) Inform the parents of the provisions in §300.321(a)(6) and (c) (relating to the participation of other individuals on the IEP Team who have knowledge or special expertise about the child), and §300.321(f) (relating to the participation of the Part C service coordinator or other representatives of the Part C system at the initial IEP Team meeting for a child previously served under Part C of the Act).

(2) For a child with a disability beginning not later than the first IEP to be in effect when the child turns 16, or younger if determined appropriate by the IEP Team, the notice also must—

(i) Indicate—

(A) That a purpose of the meeting will be the consideration of the post-secondary goals and transition services for the child, in accordance with §300.320(b); and

(B) That the agency will invite the student; and

(ii) Identify any other agency that will be invited to send a representative.

(c) *Other methods to ensure parent participation.* If neither parent can attend an IEP Team meeting, the public agency must use other methods to ensure parent participation, including individual or conference telephone calls, consistent with §300.328 (related to alternative means of meeting participation).

(d) *Conducting an IEP Team meeting without a parent in attendance.* A meeting may be conducted without a parent in attendance if the public agency is unable to convince the parents that they should attend. In this case, the public agency must keep a record of its attempts to arrange a mutually agreed on time and place, such as—

(1) Detailed records of telephone calls made or attempted and the results of those calls;

(2) Copies of correspondence sent to the parents and any responses received; and

(3) Detailed records of visits made to the parent's home or place of employment and the results of those visits.

(e) *Use of interpreters or other action, as appropriate.* The public agency must take whatever action is necessary to ensure that the parent understands the proceedings of the IEP Team meeting, including arranging for an interpreter for parents with deafness or whose native language is other than English.

(f) *Parent copy of child's IEP.* The public agency must give the parent a copy of the child's IEP at no cost to the parent.

**§ 300.323 When IEPs must be in effect.**

(a) *General.* At the beginning of each school year, each public agency must have in effect, for each child with a disability within its jurisdiction, an IEP, as defined in §300.320.

(b) *IEP or IFSP for children aged three through five.* (1) In the case of a child with a disability aged three through five (or, at the discretion of the SEA, a two-year-old child with a disability who will turn age three during the school year), the IEP Team must consider an IFSP that contains the IFSP content (including the natural environments statement) described in section

§ 300.323

34 CFR Ch. III (7–1–17 Edition)

636(d) of the Act and its implementing regulations (including an educational component that promotes school readiness and incorporates pre-literacy, language, and numeracy skills for children with IFSPs under this section who are at least three years of age), and that is developed in accordance with the IEP procedures under this part. The IFSP may serve as the IEP of the child, if using the IFSP as the IEP is—

- (i) Consistent with State policy; and
- (ii) Agreed to by the agency and the child's parents.

(2) In implementing the requirements of paragraph (b)(1) of this section, the public agency must—

- (i) Provide to the child's parents a detailed explanation of the differences between an IFSP and an IEP; and

- (ii) If the parents choose an IFSP, obtain written informed consent from the parents.

(c) *Initial IEPs; provision of services.* Each public agency must ensure that—

(1) A meeting to develop an IEP for a child is conducted within 30 days of a determination that the child needs special education and related services; and

(2) As soon as possible following development of the IEP, special education and related services are made available to the child in accordance with the child's IEP.

(d) *Accessibility of child's IEP to teachers and others.* Each public agency must ensure that—

(1) The child's IEP is accessible to each regular education teacher, special education teacher, related services provider, and any other service provider who is responsible for its implementation; and

(2) Each teacher and provider described in paragraph (d)(1) of this section is informed of—

- (i) His or her specific responsibilities related to implementing the child's IEP; and

- (ii) The specific accommodations, modifications, and supports that must be provided for the child in accordance with the IEP.

(e) *IEPs for children who transfer public agencies in the same State.* If a child with a disability (who had an IEP that was in effect in a previous public agency in the same State) transfers to a new public agency in the same State,

and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide FAPE to the child (including services comparable to those described in the child's IEP from the previous public agency), until the new public agency either—

(1) Adopts the child's IEP from the previous public agency; or

(2) Develops, adopts, and implements a new IEP that meets the applicable requirements in §§ 300.320 through 300.324.

(f) *IEPs for children who transfer from another State.* If a child with a disability (who had an IEP that was in effect in a previous public agency in another State) transfers to a public agency in a new State, and enrolls in a new school within the same school year, the new public agency (in consultation with the parents) must provide the child with FAPE (including services comparable to those described in the child's IEP from the previous public agency), until the new public agency—

(1) Conducts an evaluation pursuant to §§ 300.304 through 300.306 (if determined to be necessary by the new public agency); and

(2) Develops, adopts, and implements a new IEP, if appropriate, that meets the applicable requirements in §§ 300.320 through 300.324.

(g) *Transmittal of records.* To facilitate the transition for a child described in paragraphs (e) and (f) of this section—

(1) The new public agency in which the child enrolls must take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous public agency in which the child was enrolled, pursuant to 34 CFR 99.31(a)(2); and

(2) The previous public agency in which the child was enrolled must take reasonable steps to promptly respond to the request from the new public agency.

## DEVELOPMENT OF IEP

**§ 300.324 Development, review, and revision of IEP.**

(a) *Development of IEP*—(1) *General*. In developing each child's IEP, the IEP Team must consider—

- (i) The strengths of the child;
- (ii) The concerns of the parents for enhancing the education of their child;
- (iii) The results of the initial or most recent evaluation of the child; and
- (iv) The academic, developmental, and functional needs of the child.

(2) *Consideration of special factors*. The IEP Team must—

(i) In the case of a child whose behavior impedes the child's learning or that of others, consider the use of positive behavioral interventions and supports, and other strategies, to address that behavior;

(ii) In the case of a child with limited English proficiency, consider the language needs of the child as those needs relate to the child's IEP;

(iii) In the case of a child who is blind or visually impaired, provide for instruction in Braille and the use of Braille unless the IEP Team determines, after an evaluation of the child's reading and writing skills, needs, and appropriate reading and writing media (including an evaluation of the child's future needs for instruction in Braille or the use of Braille), that instruction in Braille or the use of Braille is not appropriate for the child;

(iv) Consider the communication needs of the child, and in the case of a child who is deaf or hard of hearing, consider the child's language and communication needs, opportunities for direct communications with peers and professional personnel in the child's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the child's language and communication mode; and

(v) Consider whether the child needs assistive technology devices and services.

(3) *Requirement with respect to regular education teacher*. A regular education teacher of a child with a disability, as a member of the IEP Team, must, to the extent appropriate, participate in

the development of the IEP of the child, including the determination of—

(i) Appropriate positive behavioral interventions and supports and other strategies for the child; and

(ii) Supplementary aids and services, program modifications, and support for school personnel consistent with § 300.320(a)(4).

(4) *Agreement*. (i) In making changes to a child's IEP after the annual IEP Team meeting for a school year, the parent of a child with a disability and the public agency may agree not to convene an IEP Team meeting for the purposes of making those changes, and instead may develop a written document to amend or modify the child's current IEP.

(ii) If changes are made to the child's IEP in accordance with paragraph (a)(4)(i) of this section, the public agency must ensure that the child's IEP Team is informed of those changes.

(5) *Consolidation of IEP Team meetings*. To the extent possible, the public agency must encourage the consolidation of reevaluation meetings for the child and other IEP Team meetings for the child.

(6) *Amendments*. Changes to the IEP may be made either by the entire IEP Team at an IEP Team meeting, or as provided in paragraph (a)(4) of this section, by amending the IEP rather than by redrafting the entire IEP. Upon request, a parent must be provided with a revised copy of the IEP with the amendments incorporated.

(b) *Review and revision of IEPs*—(1) *General*. Each public agency must ensure that, subject to paragraphs (b)(2) and (b)(3) of this section, the IEP Team—

(i) Reviews the child's IEP periodically, but not less than annually, to determine whether the annual goals for the child are being achieved; and

(ii) Revises the IEP, as appropriate, to address—

(A) Any lack of expected progress toward the annual goals described in § 300.320(a)(2), and in the general education curriculum, if appropriate;

(B) The results of any reevaluation conducted under § 300.303;

(C) Information about the child provided to, or by, the parents, as described under § 300.305(a)(2);

(D) The child's anticipated needs; or
